

As part of the suite of measures to prevent the spread of COVID-19 in our community and reduce the risk of exposure to our staff:

- Authorised visitors are required to complete the [Visitor Declaration e-form](#) besides check-in/out using the SafeEntry and temperature taking.
- Personnel, including employees, visitors, suppliers and contractors, who are having a fever upon temperature screening or flu-like symptoms will be refused entry into the premise.
- All onsite personnel, including employees, visitors, suppliers and contractors are required to wear masks at all times and observe good personal hygiene.
- Please utilise the disinfecting agents (hand sanitisers, disinfectant strays) made available at the common spaces
